

YOUR COMMUNITY FOUNDATION OF NORTH CENTRAL WEST VIRGINIA, INC.

2020 IMPACTS REPORT

Serving
Harrison, Marion,
Monongalia, Preston
and Taylor Counties

DEAR FRIENDS,

It was a privilege to serve as YCF’s Board Chair in 2020, a year none of us will soon forget.

The year was defined by the COVID-19 pandemic, which impacted us all and placed particular strain on the nonprofit community. While the majority of YCF’s assets are invested with the goal of providing a long-term and growing funding stream for future grant-making, YCF is also uniquely positioned to respond to immediate community needs such as the recent pandemic. YCF responded by establishing an Emergency Impact Fund to assist nonprofits in addressing basic human needs, such as food, shelter, and safety. Through the generosity of our community, over \$150,000 in emergency grants were made to 45 local nonprofits during 2020.

In 2020, YCF awarded over \$850,000 in total grants and scholarships. Seven new endowment funds were established, and as of year-end, YCF managed over 150 funds with \$18 million in total assets.

As we reflect on the accomplishments of the past year, we also look forward to celebrating YCF’s 10th anniversary in 2021. This marks 10 years since the merger of the Community Foundation of North Central West Virginia and the Greater Morgantown Community Trust.

Whether you’ve been with us since the beginning or have just recently partnered with YCF, we are grateful for your support. Together, we will continue to make a positive impact on North Central West Virginia.

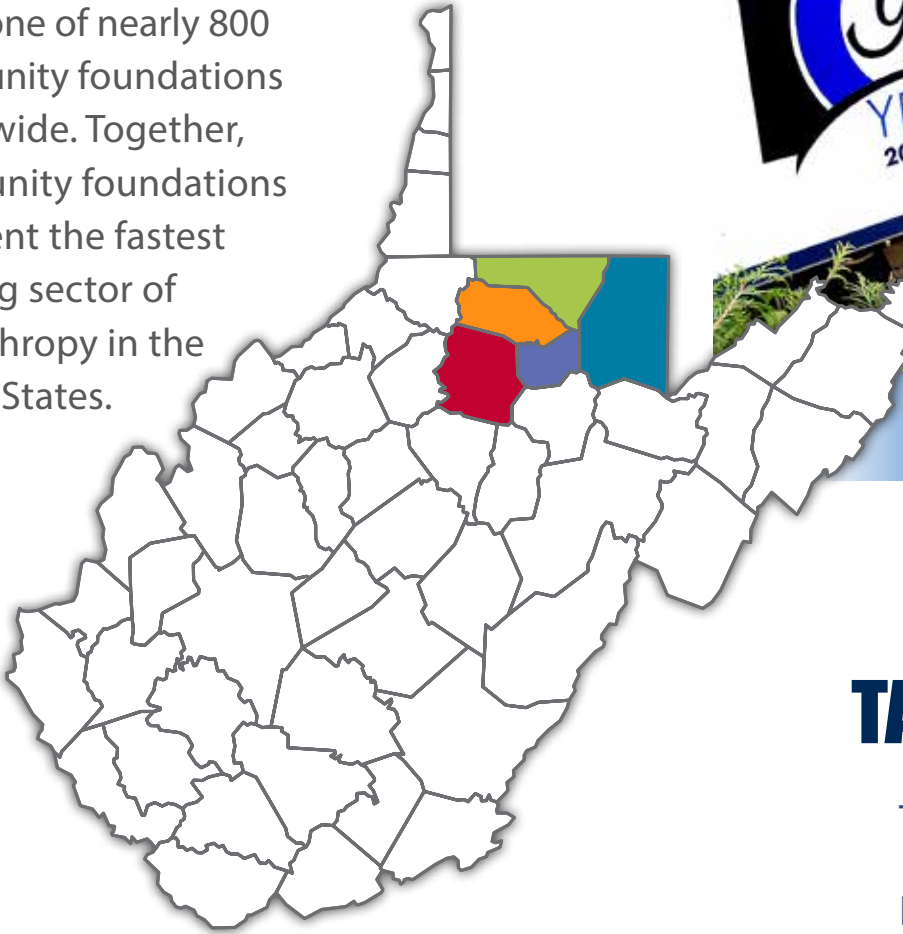

Sincerely,
James E. Griffin
2020 YCF Board Chair

TYPES OF FUNDS

YCF offers a variety of funds to meet both donor and community needs. Donors select the fund name and determine the fund's purpose. The fund is invested by YCF, and the annual earnings may be awarded based on the donor's wishes. For a full list of current funds, please visit ycfwv.org.

AGENCY ENDOWMENT FUNDS provide long-term investments for local nonprofit organizations. Annual earnings support a nonprofit's greatest needs while YCF assumes reporting and investing responsibilities.

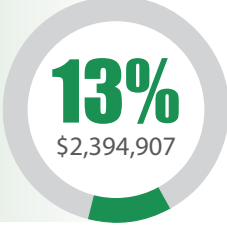

DONOR ADVISED FUNDS allow donors to actively participate in the grant-making process as a flexible way to address charitable interests as they change over time. Donors can involve their children as advisors to perpetuate a family tradition of philanthropy.

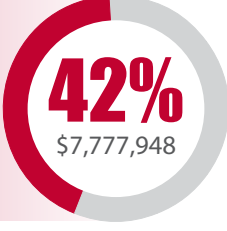

DONOR DESIGNATED FUNDS enable donors, at the time the fund is established, to name one or more organizations to permanently benefit from the fund. YCF ensures the designated recipient(s) receive support as long as they remain in existence and continue to fulfill the intended charitable purpose.

FIELD OF INTEREST FUNDS allow donors to support an area or issue of importance to the community. Fields of interest may include but are not limited to: arts, environment, education, youth services, animals, or health care. The endowment may grow through gifts from others who see them as a way to address their own charitable interests. Under the direction of the YCF Board of Directors, grant-making addresses the specific area identified by the fund.

SCHOLARSHIP FUNDS are established to assist students with education. Donors may determine eligibility requirements and can designate funds for any level of education. Distributions are made in accordance with YCF policies, providing funds to the specific institution in which the student is enrolled.

IMPACT FUNDS are donated without stipulations or conditions; they allow YCF maximum flexibility to respond creatively and effectively to our communities' most compelling needs and opportunities. These funds are among the Foundation's most important assets to address long-term community planning. Grant-making from a fund is at the discretion of the YCF Board of Directors within the bounds of the general charitable purposes of the Foundation.

On December 31, 2020, YCF managed assets totaling \$18,399,134.

NEW FUNDS IN 2020

Individuals, businesses, and nonprofit agencies may establish endowment funds with YCF for a minimum of \$10,000. Scholarship funds require \$20,000. The minimum must be achieved within three years. The funds are invested and either restricted for a specific charitable purpose or unrestricted for the greatest needs of the community.

Christian Help Endowment Fund

Christian Help's Board of Directors set a goal to build a \$5 million endowment by the organization's 50th anniversary, in 2025. The investment income from the endowment will be used annually for operational expenses such as facility upkeep, salaries, and services. Achieving this goal will then allow 100% of donations to support clients in direct aid.

Clarksburg-Harrison Public Library Foundation Endowment Fund

This endowment fund's annual earnings will be used to provide financial support for the Clarksburg-Harrison Public Library (CHPL) to offer its services and programs. The CHPL Foundation supports current library needs and encourages philanthropy to sustain the library into the future.

The EQT Foundation provides five \$1,000 one-time awards, as well as one \$18,000 per year award that is renewable for up to four years.

George E. and Joanne R. Davis Memorial Scholarship

Established by the family of George E. and Joanne R. Davis

This endowed scholarship is in memory of the former, Fairmont-based Davis Furniture owners. The annual \$1,000 scholarship will be awarded to a West Virginia resident pursuing an undergraduate degree as a full-time student at West Virginia University, where George played basketball. Marion and Monongalia County residents receive preference. Applicants must be graduating seniors who participated in organized athletics while in high school or during their teenage years.

Harrison County Senior Citizens Center Endowment Fund

The Harrison County Senior Citizens Center Endowment supports the charitable, scientific, or educational purposes of the Harrison County Senior Citizens Center, Inc. located in Clarksburg, WV.

Taylor County Children and Families Endowment Fund

Annual earnings generated by the fund will provide long-term sustainability for the organizational needs of the Taylor County Family Resources (TCFR). Current programs include hunger relief, child abuse prevention, substance abuse prevention and recovery efforts. TCFR's goal is for the fund to reach \$10,000 by December 31, 2021.
