Help support Fort New Salem

Feighteen buildings make up the eight-acre property known as Fort New Salem, a representative 19th Century log settlement located in Salem, Harrison County. The Fort New Salem Foundation, which now manages the fort, is working to raise money to maintain the facility, make repairs to existing buildings and add new ones. Several donor options are available:

The 200 Club

The bedrock of our future fundraising efforts is *The 200 Club*, established to guarantee that the fort has the working capital necessary to move forward. The concept is simple: we seek a minimum of 200 people who pledge at least \$500 per year for three years. Your contribution can be made annually or semi-annually. Members of *The 200 Club* will be recognized in our newsletter, as well as in some permanent way on the grounds of Fort New Salem. Once we have funded our working budget, we can use other money raised for major projects and facilities renovations. Clip and send the registration form to become a member.

200 Club

I hereby express my desire to participate in and assist Fort New Salem in preserving and advancing the educational, historic, cultural and social aspects of Nineteenth Century West(ern) Virginia.

Recognizing the need to preserve Fort New Salem and its programs, I agree to join *The 200 Club* by donating to Fort New Salem Foundation, Inc., a minimum of \$500 per year for each of the next three years.
