About the Fund

In 2004, the Morgantown Public Library System established a System Fund managed by Your Community Foundation (YCF). This is an agency endowment to benefit the Morgantown Public Library in its mission to provide educational and reading programs and related visual activities for all ages.

“This fund assists the library in providing and expanding library programs for all ages,” says Kelly Funkhouser, administrative assistant. “For example, money from this fund was used in the creation of the Arnettsville Branch Library in 2010.”

How Can I Donate?

All donations to this and other funds managed by YCF are invested to increase their value, with net income from these investments paid out annually to meet the requirements and donor objectives of the various funds. While the net income is dispersed, the original endowments and any subsequent contributions to them remain intact and continue to grow from year to year.

Your tax-deductible monetary gift to the Morgantown Public Library System Fund brings vital services, resources and programs to every neighborhood in and around Morgantown.

Donations are accepted through the YCF website. The fund is a qualified 501(c)(3) nonprofit organization eligible to receive IRS-qualified gifts. In addition, YCF adheres to a strict privacy policy that means your information will not be shared, sold or otherwise distributed. All Donations are submitted via Paypal.

Individuals, organizations and businesses are encouraged to contribute any amount of money to one or more of the endowments managed by YCF. Donate by clicking on the “Donations” link provided by YCF.
