DEAR FRIENDS

It was an honor to serve as YCF’s Board Chair in 2021, the year marking YCF’s 10-year anniversary. While our “birthday party” plans were altered by the COVID-19 pandemic, we found new ways to recognize individuals and organizations in our communities.

Ten years ago, YCF was formed with the merger of the Community Foundation of North Central West Virginia (CFNCXWV) and the Greater Morgantown Community Trust (GMCT). Centralizing resources and assets has allowed us to become more efficient to better serve our five-county region. Since YCF’s inception, more than $10 million in grants and scholarships have been distributed to people and programs in our region.

SOME OF YCF’S HIGHLIGHTS IN 2021 INCLUDE:

- More than $460,000 in charitable grant awards
- $220,650 in Emergency Impact Funds distributed to 51 local nonprofits since April 2020
- 158 volunteers
- $20+ million in assets
- Over 150 active funds
- $365,700 in scholarship funds awarded to 105 students

In 2021, YCF announced its first ever campaign, the $1 Million Match Campaign. The opportunity was sparked by a generous challenge from an anonymous donor who believes in YCF’s mission and that we all have the power to create positive change in our communities. The campaign matches donations to the YCF IMPACT Fund and YCF Addiction Prevention Initiative Fund and continues until December 31, 2022.

Springfield, YCF Board Chair

The ripple effects of these contributions will benefit North Central West Virginia for years to come.

First campaign in 10-year history to raise unrestricted IMPACT funds for regional grantmaking.

Each year, YCF receives numerous grant applications for important projects/programs that exceed available funding. Growing unrestricted IMPACT funds allows YCF to better meet emerging community needs throughout the five-county region.

Through the generosity of an anonymous donor, YCF launched the DOUBLE YOUR IMPACT - $1 Million Match Campaign in October 2021. Donations to the campaign are matched DOLLAR-FOR-DOLLAR through December 31, 2022, or until the fundraising goals are met:

<th>GOAL: $900,000</th>
</tr>
</thead>
<tbody>
<tr>
<td>YCF ADDICTION PREVENTION INITIATIVE FUND</td>
<td>GOAL: $100,000</td>
</tr>
</tbody>
</table>

Each donation becomes part of a large endowment continuing to help our communities forever.

“Life is local. This gift is meant to enhance YCF’s flexibility to meet community needs impacting all areas of local lives. It is my sincere hope that others in the North Central region will see the value of giving back to our communities with minimum restrictions. Together much can be accomplished.”

Distributions are made in accordance with YCF policies, providing funds to the specific institution in which the student is enrolled.

3%

IMPACT FUNDS are donated without stipulations or conditions; they allow YCF maximum flexibility to respond creatively and effectively to our communities’ most compelling needs and opportunities. These funds are among the Foundation’s most important assets to address long-term community planning. Grant-making from a fund is at the discretion of the YCF Board of Directors within the bounds of the general charitable purposes of the Foundation.

13%

AGENCY ENDOWMENT FUNDS provide long-term investments for local nonprofit organizations. Annual earnings support a nonprofit’s greatest needs while YCF assumes reporting and investing responsibilities.

19%

DONOR ADVISED FUNDS allow donors to actively participate in the grant-making process as a flexible way to address charitable interests as they change over time. Donors can involve their children as advisors to perpetuate a family tradition of philanthropy.

10%

DESIGNATED FUNDS enable donors, at the time the fund is established, to name one or more organizations to permanently benefit from the fund. YCF ensures the designated recipient(s) receive support as long as they remain in existence and continue to fulfill the intended charitable purpose.
