

Westlake Energy Partners Addiction Prevention Fund

ABOUT THE FUND

The Westlake Energy Partners Addiction Prevention Fund will provide support to programs geared to lessen and alter the destructive impact of alcohol and drug addiction on children and their families through education and professional support at the grassroots level. Eligible charitable organizations will reside within Monongalia County.

Grants will be awarded through YCF's customary community grant application process administered by YCF's Grant Committee and approved by the Board of Directors.

“I’ve seen firsthand the devastation that addiction has caused for numerous families in our community and the community as a whole. I’m hopeful that this endowment will have a positive impact on the addiction crisis in our community,” said Tim Smith, with Westlake Energy Partners.

Westlake Energy Partners is an oil and gas acquisition company founded in 2017. Westlake specializes in purchasing oil, gas, and mineral rights throughout the Appalachian Basin with a specific focus on acquiring assets located in West Virginia. Westlake’s goal is to invest in the prosperous future of the Mountain State. Their team of West Virginia natives are passionate about the community and eager to help their neighbors discover the value of their land and mineral rights.
