

ABOUT THE FUND

The Robert F. Miller Support Fund was established in 2024 by his wife, Deb. The endowed fund honors Bob's lifelong interest in helping others. After serving four years in the U.S. Air Force, the GI Bill gave him the opportunity to attend Kean College in New Jersey and West Virginia University.

Bob is fondly remembered for his work at Preston Federal Credit Union in Kingwood, WV, where he continually updated operating systems and financial options while helping members achieve financial stability. His career began with the installation of the first computer system at Albright National Bank in Kingwood in 1976. Over the years, he witnessed the evolution of specialized computers for both business and personal use. Bob later served as the CEO of Preston Federal Credit Union from 1999 to 2017.
